The Greatest

Sugar Ray

The greatest
The greatest
I must have been away too long, I don't think I can take it
Well, this thing that's going on, there's no way I can feel it
You see my day to day thing, well, let me tell you about the latest
You see my day to day thing in the story of the greatest
It's been a while since it's happened to me now
It's been a while since it's happened to me now
Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)
Gotta get to where I am, don't you try to understand
Are we seeing eye to eye? I'm believing all the lies
You see my day to day thing, well, let me tell you about the latest
You see my day to day thing in the story of the greatest
It's been a while since it's happened to me now
It's been a while since it's happened to me now
Don't you feel good?
(That's how you feel when you feel alright)

Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
Don't you feel good?
Don't you feel good?
(It's been a while since it's happened to me now)
Don't you feel good?
(It's been a while since it's happened to me now)
Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)
Don't you feel good?
(That's how you feel when you feel alright)

Don't you feel good?
(That's how you feel when you feel alright)
