

# Through My Heart (the Arrow)

## Az Yet

Quietly I watch you sleep  
Hopefully you won't hear what I say  
Wondering if I turned the clouds  
Happy the moment I tasted your rain  
Tonight was the night  
That I saw my first sight  
Of how pleasure wins over pain  
Now I know what I know  
Don't wanna ever let you go  
I just hope that you feel the same  
You shot your arrow  
Through my restless, shaking heart  
You came down on me slow  
Drew back your bow  
My lady, you shot your arrow  
Straight through my heart  
I kiss your mouth and stroke your hair  
Intently I hang on your every breath  
I know what I'm feeling right now  
Is more than just lust for the sake of your flesh  
Girl, I need you now  
I'll try my best to learn how  
To be all that my words might say

Caressing your skin  
I never imagined  
That I'd ever feel this way  
You shot your arrow  
Through my restless, shaking heart  
You came down on me slow  
Drew back your bow  
My lady, you shot your arrow  
Straight through my heart  
Girl, I need your love  
I'll try my best to learn how  
To be all that my words might say  
Caressing your skin  
I never imagined I could ever feel this way  
You shot your arrow

Through my restless, shaking heart  
You came down on me slow  
Drew back your bow  
My lady, you shot your arrow  
Straight through my heart, my heart  
My lady, you shot your arrow  
Straight through my heart
