All The Man That I Need

Whitney Houston

I used to cry myself to sleep at night
But that was all before he came
I thought love had to hurt to turn out right
But now he's here, it's not the same, it's not the same
He fills me up, he gives me love
More love than I've ever seen
He's all I've got, he's all I've got in this world
But he's all the man that I need
And in the morning when I kiss his eyes
He takes me down and rocks me slow
And in the evening when the moon is high
He holds me close and won't let go, he won't let go
He fills me up, he gives me love
More love than I've ever seen
He's all I've got, he's all I've got in this world
But he's all the man that I need
He fills me up, he gives me love
More love than I've ever seen
He's all I've got, he's all I've got in this world
But he's all the man that I need
He fills me up, he gives me love
More, more love, more love, more love, more love
He's all I've got, he's all I've got in this world
But he's all the man, all the man
