

Alone Tonight (Matthew Dekay Remix)

Above & Beyond

Fade away just like our love had died
And there is nowhere in this universe to hide...from you tonight
I've wrestled with angels...all my life
It's always the halos and the wings that keep you blind
And if I fall with all the strength I held inside I wouldn't be out here alone tonight
I wouldn't be standing alone tonight Whoa Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking
Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking Fade away just like our love had died
And there is nowhere in this universe to hide...from you tonight
I've wrestled with angels...all my life
It's always the halos and the wings that keep you blind
And if I fall with all the strength I held inside
I wouldn't be out here alone tonight Whoa Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking
Alone tonight just like the western star, I'm sinking.
The angels curse me blind with straight and crooked thinking Whoa And if I fall with all the strength I held inside
I wouldn't be out here alone tonight
