

Shine On You Crazy Diamond

David Gilmour

Remember when you were young
You shine like the sun
Shine on you crazy diamond Now there's a look in your eyes
Like black holes in the sky
Shine on you crazy diamond You were caught on the cross fire
Of childhood and stardom
Blown on the steel breeze
Come on you target for faraway laughter
Come on you stranger
You legend, you martyr and shine You reached for the secret too soon
You cried for the moon
Shine on you crazy diamond Threatened by shadows at night
And exposed in the light
Shine on you crazy diamond Well, you wore out your welcome
With random precision
Rode on the steel breeze
Come on you raver, you seer of visions
Come on you painter
You piper, you prisoner and shine
