Hoping

Ace Troubleshooter

Every time I try to make it, make it happen
I just fake it, I think it's over and I blink, it's over
Every time I screw up, I never let up
And I keep forgetting to think it over 'cuz I blink, it's overEvery time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every timeI sit there hoping
You go on holding my hand in yours
So stay, yeah stay foreverEvery day it's getting colder
And I find I'm getting older
Need warmer climes
Need warmer climes nowNeed a land with warming sun
And a heart whose every beat is one
That keeps your time
Keeps your time somehowEvery time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every timeI sit there hoping
You go on holding my hand in yours
So stay, yeah stay foreverHoping
You go on holding my hand in yours
So stay, yeah stay foreverEvery time I close my eyes
And every time I close my eyes
Every time I close my eyes
And every timeI sit there hoping
You go on holding my hand in yours
So stay, yeah stay foreverHoping
You go on holding my hand in yours
So stay, yeah stay foreverHoping
You go on holding my hand in yours
So stay, yeah stay forever
