

# Find A Way To My Heart

Phil Collins

Find a way to my heart and I will always be with you  
From wherever you are, I'll be waiting  
I'll keep a place in my heart, you will see it shining through  
So find a way to my heart and I will, I will follow you This journey's not easy for you, I know  
If your footsteps get too faint to hear, I'll go 'Coz you know, questions are never that easy  
And never the same  
Will you have the answer believe me  
If you have the faith? Find a way to my heart and I will always be with you  
From wherever you are, I'll be waiting  
I'll keep a place in my heart, you will see it shining through  
So find a way to my heart and I will, I will follow you Time may come and time may go, I know  
Even if you should call out for me, I'll go But you know, there is a code to be broken  
I wrap it around  
Without a word being spoken  
Without a sound There's a reason I hide my heart  
Its out of sight, out of mind  
And when I find out just who you are  
The door will be open for you to Find a way to my heart and I will always be with you  
From wherever you are, I'll be waiting  
I'll keep a place in my heart, you will see it shining through  
So find a way to my heart and I will, I will follow you Oh, find a way to my heart and I will always be with you  
From wherever you are, I'll be waiting  
I'll keep a place in my heart, you will see it shining through  
So find a way to my heart and I will, I will follow you
