

# Ever After

Aaron Shust

I hate to be the one to break the news  
To let you down but I can't lie to you  
There's things about the world I wish weren't true  
I guess by now, you must have had a clue It seems you're growing up fast  
I tried my best to push back Would you believe me if I told you There's no such thing as Peter Pan  
No such place as Never Never Land  
I wish we all could have  
Those tiny magic wings But we live in a world with wars  
It's not like it was before  
We won't find our happy ever after here  
There's no such thing I've dreaded this talk for so long  
I knew someday you'd wonder what went wrong  
We get to be the story of it all  
For the Glory of it all and so we move along This is not where it ends  
It's just where it begins Would you believe me if I told you There's no such thing as Peter Pan  
No such place as Never Never Land  
I wish we all could have  
Those tiny magic wings But we live in a world with wars  
It's not like it was before  
We won't find our happy ever after here It's not where we belong and if it's feeling wrong  
Oh, you must stay strong  
'Cause it was here that I first saw your face  
Every night I pray that you'd believe the same There's no such thing as Peter Pan  
No such place as Never Never Land  
I wish we all could have  
Those tiny magic wings But we live in a world with wars  
It's not like it was before  
We won't find our happy ever after here  
There's no such thing  
There's no such thing I hate to be the one to break the news  
To let you down but I can't lie to you
