

She Is

Paden Smith

V1)

She walks herself to school everyday
Nobody even waves hello
She takes time to look for a friendly face
So she won't have to eat alone
But nobody ever sees when she cries herself to sleep
Cuz highschool's just too hard
She wants to be like the other girl she sees
As pretty as they are
If she could only see

CHORUS:

She is loved by a King
She is grace and she is beauty
And she is more than just an ordinary girl
If she could see herself
Through His eyes, she'd realize
Everything she is.

V2)

She'll get no sleep as she works another double
Cuz she's got three kids at home
It's been tough since she lost her husband
And she was left alone
And nobody ever sees when she cries herself to sleep
Cuz life is just too hard
She wants to be a good mother to her three
As precious as they are
If she could only see

REPEAT CHORUS

She can move mountains with God on her side
Cuz she is raised up by a love that won't hide.

REPEAT CHORUS X2
