If I Was a Guy

[Fefe Dobson](#)

If I was a guy
I'd get to wear the pants
Making all the decisions
Asking girls to dance, yeah yeahIf I was a guy
I'd be my biggest fan
I'd be the skinny lead singer
In a garage band, yeah yeahI'd say c'mon, c'mon, c'mon, c'mon, c'mon, c'mon
C'mon here girl
Let me show you something
I'm gonna rule your worldI'd say gimme, gimme, gimme, gimme, gimme, gimme
Gimme some of your love
I'd be the only one girl
That you'd be thinking ofIf I was a guy
I would do lots of chicks
Yeah I would be so horny
And we'd think with our dicks, yeah yeahIf I was a guy
I'd hang with all my boys
Maybe talk about girls
Like they were boy toys, yeah yeahI'd say c'mon, c'mon, c'mon, c'mon, c'mon, c'mon
C'mon here girl
Let me show you something
I'm gonna rule your worldI'd say gimme, gimme, gimme, gimme, gimme, gimme
Gimme some of your love
I'd be the only one girl
That you'd be thinking ofBaby, I'll chase you down
Maybe I'll stick around
Maybe I'll hang around with you
For a week or twoThen baby I'll get bored
You're gonna be ignored
Gonna let you down, yeah girls
That's what all guys do
I'm talking to youIf I was a guy
I said if I was a guy
If I was a guy
Hey guy
