One second

Bettens, Sarah

I cram it in, I try my best to scream
And when I find myself outside your house
I'm trying hard to figure where you're at
Oh, oh, oh, I just need a secondI feel the burn inside my inner thigh
I feel the slightest touch and I might die
And so I figure run and hide
Oh, oh, oh, I just need a secondOoh, ooh, ooh, ooh
Where do you go?
When you're not here with me?And when I cry, I do it all alone
And on the floor I get myself into the moment
Lose myself completely on it
Oh, oh, oh, I just need a secondI like to think you think about me
Like I like to think about you
Later, I'll be thinking of this moment
And I'm waiting
Oh, oh, oh, I just need a secondAnd when the spell is cast
I feel myself, I'm falling fast
I get myself into the way
Of the things I wanna say to you
Oh, oh, oh, I just need a secondOoh, ooh, ooh, ooh
What do you do?
When I'm not there with you?And when I cry, I do it all alone
And on the floor I get myself into the moment
Lose myself completely on it
Oh, oh, oh, I just need a secondOoh, ooh, ooh, ooh
Where do you go?
When your not here with me?
