2 Seconds

Jhene

Verse 1:
Yeah, yeah yeah
Alright, yeah, yeah
Okay you back to talkin that shit again, questioning me about where I been
I'on even know why you here, you aint even po' be here
I put it all on the line, I be lovin you every night, you the one I come home to right?
Right? Right??
Bridge:
Man I wish I had some weed up in my system
Cuz I'm bout two seconds away from just flippin out
How could you say that I did it when I didn't?
Think it's bout time that we end this now
Chorus:
I don't need your trust
I don't need this shit, yeah
I have had enough, I think you should just run away
Get away, find a new love
Run away, ooooohhh ohh
oh ooh ohh
Verse 2:
Cry me an ocean, build you a boat then sail away
If this is so difficult, I cannot make you stay
I have been hoping you would be more than just a face
You don't believe me, just leave, aint nothing more to say
Bridge:
Man I wish I had some weed up in my system
Cuz I'm bout two seconds away from just flippin out
How could you say that I did it when I didn't?
Think it's bout time that we end this now
Chorus:
I don't need your trust
I don't need this shit, yeah
I have had enough
I think you should just run away
Get away, find a new love
Run away, ooooohhh ohh
oh ohh oooh
