This Song Goes Out To (Album Version)

Greeley Estates

i know you think, your all alone
like there is no one else that shares the skiesi see the hurt in your eyes, you don't deserve this pain
if i could i'd take it all away for youcause your worth so much more
you have so much life left in you
its not your fault, you didn't ask for this
its not your fault, you don't deserve thisi see the hurt in your eyes, you don't deserve this pain
if i could i'd take it all away for youthis, song, it goes out to you [x2]
i want you to know that, this isn't your fault
i want you to know that, you're still beautifuli see the hurt in your eyes, you don't deserve this pain
if i could i'd take it all away for you
i see the hurt in your eyes, you don't deserve this pain
if i could i'd take it all away for you[random screaming gibberish]this, song, it goes out to you [x2]
i want you to know that, this isn't your fault
i want you to know that, you're still beautiful
