

Everything Is Good for You

Crowded House

I see a man with a flag
And he leads the procession
And a woman shedding tears
For a man locked in prison, yeah
Then the two locked eyes
And for a moment I was taken
And all paths lead
To a single conclusion, yeah
Everything is good for you
If it doesn't kill you
Everything is good for you
One man's ending
Is another man's beginning
Everything is good for you
It's a nightmare talking
To a restless ocean
With a reckless calm
To state their position
But if you come undone
It might just set you free
Everything is good for you
If it doesn't kill you
Everything is good for you
One man's ending
Is another one's beginning
Bring back your head
Here comes trouble
To turn me and be well
Cover your heart
Everything is good for you
If it doesn't kill you
Everything is good for you
If it doesn't kill you
Everything is good for you
Is good for you
