

# Salvation (1972 - Honky Chateau)

## Elton John

I have to say my friends  
This road goes a long, long way  
And if we're going to find the end  
We're gonna need a helping handI have to say my friends  
We're looking for a light ahead  
In the distance a candle burns  
Salvation keeps the hungry children fedIt's gotta take a lot of salvation  
What we need are willing hands  
You must feel the sweat in your eyes  
You must understand salvationA chance to put the devil down  
Without the fear of hell  
Salvation spreads the gospel round  
And free you from yourself, oh ohIt's gotta take a lot of salvation  
What we need are willing hands  
You must feel the sweat in your eyes  
You must understand salvationI have to say my friends  
This road goes a long, long way  
And if we're going to find the end  
We're gonna need a helping handI have to say my friends  
We're looking for a light ahead  
In the distance a candle burns  
Salvation keeps the hungry children fedIt's gotta take a lot of salvation  
What we need are willing hands  
You must feel the sweat in your eyes  
You must understand salvationOh it's gotta take a lot of salvation  
What we need are willing hands  
You must feel the sweat in your eyes  
You must understand salvation
