City in the Rain

Travis

If you find the time to get away
Opportunity may come your way
You can take a bus or catch the train
Let me tell you now you'll want to stay
Sky was brown
Trees were green
Birds all sang a song in vain
City in the rain (x3)
We were sitting in the
Sitting in the city in the rainWon't you tell me what you came to see
Came to see the university
I trust you had a very pleasant day
Actually it wasn't quite that way
The sky was brown
Trees were green
The birds all sang a song in vain
City in the rain (x3)
We were sitting in the
Sitting in the city in the rain
Oh what fun we had
T he weather wasn't that bad
There just is no sun
Oh no here it comesIf you find the time to get away
Opportunity may come your way
You can take a bus or catch the train
Let me tell you now you'll want to stay
The sky was brown
The trees were green
The birds all sang a song in vain
City in the rain (x3)
We were sitting in the
Sitting in the city in the rain
