The Family

Tony Joe White

The weevils all took to cotton and cows all took to dry
But the varmints left behind, some took up to die
Trouble took to daddy like dew drops take to night
Mama took to cryin' a lot and daddy took to wineAnd I took a train outta there
I told the engineer, I don't believe there's no help, maybe
Heaven, help the tie that binds a family
Heaven, help the tie that binds a family
Heaven, help the tie that binds a familyFlowers took to daddy and daddy, he took to calm
Sister took to black wheel nights and Mama cried alone
Brother, he took up preaching and the bank man took the farm
They came and took my mom away, she can't do herself no harmAnd I took a train outta there
I told the engineer, I don't believe there's no help, maybe
Heaven, help the tie that binds a family
Heaven, help the tie that binds a family
Heaven, help the tie that binds a familyThe weevils all took to cotton and cows all took to dry
But the varmints left behind, some took up to die
Trouble took to daddy like dew drops take to night
Mama took to cryin' a lot and daddy took to wineAnd I took a train outta there
I told the engineer, I don't believe there's no help handy
Looks like even God can't save the family
Looks like only God can save the familyAnd I took a train outta there
I told the engineer, I don't believe there's no help handy
Looks like only God can save the family
Looks like only God can save the familyAnd I took a train outta there
I told the engineer, I don't believe there's no help handy
Looks like only God can save the family
Looks like only God can save the familyAnd I took a train outta there
I told the engineer, I don't believe there's no help handy
Looks like even God can't save the family
Looks like only God can save the familyAnd I took a train outta there, you hear me
I told the engineer, I don't believe there's no help handy
Looks like even God can't save the family
Looks like even God can't save the familyLooks like only God can save the family
Looks like only God can save the family
Looks like only God can save the family
Looks like only God can save the family
