

# I changed my mind

## Quannum MCÂ's

I don't love you  
I don't love you  
I don't love you no more  
Kanye West on the track, by the way  
Capital S, capital H, capital Y, capital N, capital E  
There's this girl I know  
So deep in love  
Do almost any thing  
To make him see she's the one  
But he doesn't feel a girl like her  
He's so so wrapped up  
'Coz the average girl will give him  
Anything that he wants  
He's so caught up  
He won't call her  
He shows no love  
'Til she decides  
I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time  
I don't love you  
I don't love you no more  
It's the funniest thing  
'Coz I know how I feel inside  
But you never felt the same as I  
Never, never, never  
Miss him so much  
I bet, you he don't even notice  
He don't even realize  
'Coz he's  
He's so caught up  
He won't call her  
He shows no love  
'Til she decides  
I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time

I don't love you  
I don't love you no more  
I'm so over you  
I got no more to give  
I gave it all to you  
And you couldn't handle it  
And I don't care if you come back  
To me on your knees  
I just don't love you no more  
I changed my mind  
Speedin' on tha highway, gangsta lean  
116, full steam, 'know I mean?  
Bitches on my jock 'coz my flow is hot  
An' they spot tha watch filled wit rocks from a block  
When the light hit, strictly fish scale  
Fuck that light shit  
I nodge out tha garage double pipe shit  
On Rodeo like, ?Hey, yo, ma, I know you likes dis, ha?  
Capital S, capital H, capital Y, capital N, capital E  
Wat y'all kno about G 4s, SL's wit automatic doors?  
Flow sick, no shit, row 6, head crack  
Walk tha street wit my chain out the frontin'  
Fuck y'all niggas walkin' 'round like y'all sayin' sumthin'  
I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time  
I don't love you  
I don't love you no more  
Stop  
Watchu thinkin' when you see me  
On the corner an' you see me hangin' out  
Wit tha niggas on tha block  
What's it all about?  
And stop  
Watchu thinkin' when you see me  
Comin' through and you see me  
Wit tha niggas from tha corner  
Comin' through?  
And stop  
I changed my mind  
I don't love you  
I don't love you no more  
Don't waste my time
