Fragile

Closure

If it's gonna stay the same
I'd rather you walk away
'Cause I don't wanna be the blame
It tends to shine more than it rains
So please don't let me down
'Cause I am feeling fragile now
We gotta slow this down
And now I think I
I can see what's going on
'Cause I've already played the game
And I don't wanna be the one who's hanging on
It tends to hurt more every day
So please don't let me down
'Cause I am feeling fragile now
We gotta slow this down
And I don't think I want this now
So please don't let me down
'Cause I don't want it turning out the same
If it's gonna stay the same
I'd rather walk away, walk away
'Cause I don't wanna be the blame
It tends to hurt more every day
