Think of You

Doug & Deb

Another sunrise, I hear the birds aâ€™ singin
Iâ€™m thankful just to be alive.
My heart is full of wonder, amazing joy inside.
My thoughts are with You at this time.

And when I think of You,
You make me smile,
You make me laugh and cry a-while.
All the time, I know the truth.
When I think of You.

Another day just ending, Your stars are shininâ€™ bright.
Iâ€™m thankful just to be alive.
My Father, how You know me, Your Spirit lives inside.
You know, Youâ€™re always on my mind, on my mind!

And when I think of You,
You make me smile,
You make me laugh and cry awhile.
All the time, I know the truth.
When I think of You.

When I think of You, I see forever
and all my dreams come true.
Your hands in all creation, when I think of You,
I see Love!

Thinkinâ€™ of You, thinkinâ€™ of You,
Thinkinâ€™ of You, right now.

And when I think of You,
You make me smile,
You make me laugh and cry a-while.
All the time, I know the truth.
All the time, I know the truth.
When I think of You.
