

Your Song (for You)

Glenn Lewis

Wear a disguise, I see it in your eyes
Afraid to give, once a heart willing to try
The love you had found, again would let you down
Locked away, now a heart longing to die So unsure and feeling insecure
Your heart just can't endure to rise above and fly
Set you free to bring you back to me
The promise that you'll be, keeper to my, my heart Now on we go to where no one knows
But I know that I love you even more
Tears we cry asking myself why
Did I let the only one that I love go?
You were meant for me
Darling, can't you see this is your song? Now where you are, forever seems so far
Feels like I could never love again
Wishing you were here to take away my fears
And life without you's a pain I couldn't bare So afraid, you'd hurt if I had stayed
Despite all you had gave, I held it all inside
Gave your all but soon I'd let you fall
Not meaning to at all, I realized, can't deny Now on we go to where no one knows
But I know that I love you even more
Tears we cry asking myself why
Did I let the only one that I love go?
You were meant for me
Darling, can't you see this is your song, your song? Follow me
I'll show you the way
To a brighter day
Upon the wings of our love
