

# View of the Rain

## Urge Overkill

I don't try anymore, 'cause only booze improves with age  
I don't fight anymore, but sometimes my fists clench up in rage  
And I don't cry anymore, but sometimes my skies get cloudy  
And sometimes them clouds rain down upon a dream  
But I don't mind anymore 'cause now my mind is wasted on a dream  
Take a walk upside yourself  
Get to know the person behind the face  
Is it someone you can really love?  
Is it someone who looks down from above?  
With a view of the rain, rain  
I don't smile anymore, too many smiling faces lie  
I don't pray anymore 'cause too many of God's children die, yes they do  
And I don't love anymore, you said you knew where love is  
I never knew where you was coming from, but I don't mind anymore  
'Cause now my mind is wasted on a dream, mind wasted on a dream  
You've got to take a walk beside yourself  
Get to know the person behind the face  
Is it someone you can really love?  
Is it somebody who looks down from above?  
With a view of the rain, rain, view of the rain
