Triad

Crosby & Nash

Advisory - the following lyrics contain explicit language:

You want to know
How it will be
Me and him
Or you and meYou both stand there your long hair flowin'
Eyes alive your mind still growin'
Sayin' to me, "What can we do now that we both love you?"
I love you too
I don't really see why can't we go on as threeYou are afraid
Embarrassed too
No one has ever said such a
Thing to youYour mother's ghost stands at your shoulder
Face like ice a little bit colder
Sayin' to you, "You can not do that, it breaks all the rules
You learned in school"
I don't really see
Why can't we go on as threeWe love each other
It's plain to see
There's just one answer
That comes to meSister lovers water brothers
And in time maybe others
So you see what we can do is to try something new
If you're crazy too
I don't really see
Why can't we go on as three
