

I Take the Dice

Duran Duran

Midnight, I think I'm gonna make it
Feel the magical lash of the roll and the crash in their lives
Headline, in tomorrow's papers
Kill that light it's so bright and you're shining it right in my eyes
Show me your secret and tell me your name
Catch me with your fizzy smile
Try to remember again and again
What it is that I recognize
Don't ask me now
When I need you I don't know how
To believe in your advice
Just this once I take the dice
Midnight, so what's the point of faking
For a kiss or a whisper you pull out a desperate prize
Hold tight, onto daddy's bracelet
Make them pay for their chances with money they don't think that's nice
Show me your secret and tell me your
name
Catch me with your fizzy smile
Try to remember again and again
What it is that I recognize
Don't ask me now
When I need you I don't know how
To believe in your advice
Just this once I take the dice
Show me your secret and tell me your name
Catch me with your fizzy smile
Try to remember again and again
What it is that I recognize
Show me your secret and tell me your name
Catch me with your fizzy smile
Try to remember again and again
What it is that I recognize
Show me your secret and tell me your name
Catch me with your fizzy smile
Try to remember again and again
What it is that I recognize
