# Now Is Now

## Saga

Come here, please hold my hand LORD now
Help me, I'm scared please show me how
To fight this, God has a master plan
And I guess, I am in his demandPlease save me, this time I cannot run
And I'll see, you when this is done
And now I, have come to realize
That you are, the one who's left behindPlease stay, until I'm gone
I'm here, hold on, to me
I'm right here, waitingI see, the light it feels good
And I'll come, back soon just like you would
It's useless, my name has made the list
And I wish, I gave you one last kiss
