

Sympathy

Rare Bird

Now when you climb into your bed tonight
And when you lock and bolt the door
Just think of those out in the cold and dark

'Cause there's not enough love to go around And sympathy is what we need my friend

And sympathy is what we need
And sympathy is what we need my friend
'Cause there's not enough love to go around

No, there's not enough love to go around Now half the world hates the other half
And half the world has all the food

And half the world lies down and quietly starves

'Cause there's not enough love to go around And sympathy is what we need my friend

And sympathy is what we need
And sympathy is what we need my friend
'Cause there's not enough love to go around
No, there's not enough love to go around
