

Get To It (feat. Yung Booke)

Young Dro

[Intro:]

Hold up!

Three! Once again! Hook:

You'll never gonna get it!

I play with them digits, I get it, I get it!

(I get it, yeah!)

I slew with my glock,

I play with that guap, I get it, I get it!

I cast all 'em balls, I buy at the mall,

I do it like heaven (Get it!) yeah!

I pick up the rock, I blew up the block,

I'm trying like heaven, yeah!

(Y'all hearing me, y'all hearing me!)

Watch me get it

(Y'all hearing me, y'all hearing me!)

(Y'all hearing me, y'all hearing me!)

Watch me get it

(Y'all hearing me, y'all hearing me!)

Watch me get it! I pull up in a drop, uhm

With your bitch on my head like I got damn feelings.

Doing no socks,

These suits cost a grand, I'mma show you how to kill it.

Bruce Lee shit, mixed in with a lil shirt, now I get with it!

(Watch your shoe!)

These taekwondo bullet,

I'mma show a motherfucker how to fuck it!

Burn my wrist, burn my

I'mma show a motherfucker I can whip it (whip it!)

Your bitch might well be dead

Caught up and get up in a pussy, nigga, I'mma kill it!

Nigga know your role

Nigga talk raw, won't get through the low

I catch him in a winning when you take the shit cool

But his coat blown up, I'mm throw it up! Sigh!

I'm smarter than a motherfucker, knew that!

Plus, some... motherfuckers, knew that!
