Beyond Reach

Curve

It's nice to know It's nice to know,
Exactly where you're going.
It's nice to know It's nice to know,
Exactly where you're going.Sorry for these bitter words,
But I'm in no mood to pretend,
Why should I bother with you,
When you're not even a good friend.I'm the tosser for thinking,
It was any more than it was,
But you're the loser,
Yes you're the loser,
You think you're above god.And beyond reach,
Beyond reach,
Beyond reach,
Beyond reach.It's nice to know,
It's nice to know,
Exactly where you're going.Never pick a fight With someone bigger than you,
That's what I learnt When I was at school.
'cause it doesn't really matter,
How clever you think you are,
Those years they leave,
All kinds of scars.It's nice to know,
It's nice to know,
Exactly where you're going.
It's nice to know It's nice to know,
Exactly where you're going.Carry on as you always have,
And you will get,
Your just reward.
It may not be what you expected,But then there's nothing,
You can't afford.
Oh I'm the joker for thinking,
It could get much worse than this,But you're the loser,
Yes you're the loser,
You think you're above god.And beyond reach,
Beyond reach,
Beyond reach,
Beyond reach.
