

# Sometimes You Need

## Rufus Wainwright

Sometimes you need a stranger to talk to.  
Sometimes you need to go to the observatory.  
Sometimes a movie stars eyes get you through the love and the lies  
Sometimes you need a stranger to walk with.  
Sometimes you need to go to the dog park  
Sometimes a movie stars spark gets you through the dark  
  
Sometimes a movie stars bark bites your hearted b\*##\$ out of love  
I'm so tired of writing of cities  
Gussed that you've gussed which one this is  
Sometimes a movie stars eyes gets you through the love and the lies  
Sometimes a movie stars kiss.  
Lets get lost in...Los Angeles.  
Sometimes you need a stranger to talk to.
