

# King of Tweakers (Remix) [feat. Rittz]

## Rehab

Verse 1]

Why do I feel so claustrophobic?

My heart jumping like I done did aerobics

Three days past and I barely notice

Ice Ice Baby just can't control it

Hold it I don't think I've eaten either

Alcohol is gonna kill my liver

I'm scared to death how did I meth

Up my life and short of breath

Bad checks they bounce drain my account

Listen to the voice in my head announce

Man quit this shit • Feeling down and out

Tired but I'm wired got fired about

A week ago punched the boss in the mouth

But I wasn't wrong I just wanna belong

And I gotta a pain in one of my lungs

Man what have done? Still up at the dawn

[Hook]

I've meth'd up royally

I'm the King of Tweakers and I'm sinking deeper

I've methâ€™d up everything

Iâ€™m the King of Tweakers such an evil creature

[Verse 2]

Monkey on my back done become King Kong

Stopped at the pawn shop my ringâ€™s gone

Such a disappointment to mom and dad

My Skin itches crabs grabbing at my nads

I done become what Iâ€™d be laughing at back

When I was sober with a stack of cash

Take off the edge with bag of grass

Walk by the mirror look at the jackass

What did I miss sick of this abyss

Diagnosis terminal emptiness

Gritting my teeth and clench my fists

Hard to love anything when you stay pissed

At yourself and your health deteriorates

Cause your face stays down on mirrors and plates

If I let a tear drop I get hysterical

Iâ€™m praying begging for a miracle

[Hook]

Iâ€™ve methâ€™d up royally

Iâ€™m the King of Tweakers and Iâ€™m sinking deeper

I've methâ€™d up everything

Iâ€™m the King of Tweakers such an evil creature

Iâ€™ve methâ€™d up royally

Iâ€™m the King of Tweakers and Iâ€™m sinking deeper

Ive methâ€™d up everything

Iâ€™m the King of Tweakers such an evil creature

[Verse 3]

I really donâ€™t like this anymore

Why did it have to happen to Danny for?

I did it to myself I canâ€™t ignore

Iâ€™m beating myself up like a dirty whore

Help me I canâ€™t take it anymore

Thank Godâ€ I hocked my 44

Lordy Lordy my nervousness is vicious

Is this a sign? Is that was this is?

[Hook]

Iâ€™ve methâ€™d up royally

Iâ€™m the King of Tweakers and Iâ€™m sinking deeper

Ive methâ€™d up everything

Iâ€™m the King of Tweakers such an evil creature

Iâ€™ve methâ€™d up royally

Iâ€™m the King of Tweakers and Iâ€™m sinking deeper

Ive methâ€™d up everything

Iâ€™m the King of Tweakers such an evil creature
