All In Fun

Margaret Whiting

We are seen around New York
In the finest stay-up-late cafes
I am on the town with you these days
That's the way it stands
Just a fellow and a girl
We have had a little whirl
And our feet have left the ground a bit
We've played around a bit
That's the way it stands
For we are strictly good time charlies
Who like to drink and dance around
And maybe kick romance around
And that's the way it stands
All in fun
This thing is all in fun
When all is said and done
How far can it go?
Some cocktails, some orchids
A show or two
A line in a column
That links me with you
Just for laughs
You're with me night and day
And so the dopes all say
That I'm that way 'bout you
Here's the laugh
And when I tell you
This will kill you
What they say is true
Just for laughs
You're with me night and day
And so the dopes all say
That I'm that way 'bout you
Here's the laugh
And when I tell you
This will kill you
What they say is true
