

All In Fun

Margaret Whiting

We are seen around New York
In the finest stay-up-late cafes
I am on the town with you these days
 That's the way it stands
 Just a fellow and a girl
 We have had a little whirl
And our feet have left the ground a bit
 We've played around a bit
 That's the way it stands
For we are strictly good time charlies
Who like to drink and dance around
 And maybe kick romance around
 And that's the way it stands
 All in fun
 This thing is all in fun
When all is said and done
 How far can it go?
Some cocktails, some orchids
 A show or two
 A line in a column
 That links me with you
 Just for laughs
You're with me night and day
 And so the dopes all say
That I'm that way 'bout you
 Here's the laugh
 And when I tell you
 This will kill you
 What they say is true
 Just for laughs
You're with me night and day
 And so the dopes all say
That I'm that way 'bout you
 Here's the laugh
 And when I tell you
 This will kill you
 What they say is true
