Act Naturally

Mrs. Miller

They're gonna put me in the movies
They're gonna make a big star out of me
We'll make a film about a man that's sad and lonely
And all I?ve gotta do is act naturally
Well, I bet you I'm a gonna be a big star
Might win an Oscar, you can never tell
The movies are gonna make me a big star
?Cause I can play the part so well
I hope you come to see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all I?ve gotta do is act naturally
We'll make a scene about a man that's sad and lonely
And begging down upon his bended knee
I'll play the part but I won't need rehearsing
?Cause all I?ve have to do is act naturally
Well, I bet you I'm a gonna be a big star
Might win an Oscar, you can never tell
Yeah, the movies are gonna make me a big star
?Cause I can play the part so well
Well, I hope you come to see me in the movies
Then I know that you will plainly see
The biggest fool that ever hit the big time
And all I?ve gotta do is act naturally
Two, three, four, all I've have to do is act naturally
