

# This Is the Last Time

## Teddy Pendergrass

This is the last time  
You don't ever have to cry  
Dry the tears from your eyes  
This is the last time  
You don't have to cry Go on and cry now  
Get it over with  
Oh,sometimes we know we have to let the tears fall  
I know,I know its hard to forget(oh baby)  
All the pain and misery  
That we both been through  
But all that matters  
Is that we together now This is the last time  
You dont ever have to cry  
Dry the tears from your eyes  
(x2)We tried to go our seperate ways  
But we couldn't be satisfied alone  
You're the one for me  
Yeah,yeah This is the last time  
You don't ever have to cry  
Dry the tears from your eyes (x2)Well now here we are once again  
Facing one another  
You looking in my eyes and im looking at yours  
Wondering what in the world went wrong  
You know it really doesn't make a whole lot of sense  
Just sitting here trying to figure out where the fault is  
Whether it was your fault whether it was mine  
I guess all that really matters is that what i came here to tell you  
And that is I don't think I can live my life without you  
I mean without you my days are so empty and my nights are so lonely See i need you so much  
See I love you so much This is the last time  
You don't ever have to cry  
we are to gether now  
Dry the tears from your eyes
