For a crown of stars
In the name of love
Be the sacrifice
You and I will stand and fight
Our backs to the wallHero, hero
Hero, hero
Hero, hero
I wanna be a hero, heroI wanna be a heroNo escape
Let the fever rise
As our horses rage
And our goal's in sight
Maybe I'm the one
I'm the one who will fallLay me down
On a bed of stone
I will wait for you
As I rest my soul
I will watch you ride
When you reply to the callHero, hero
Hero, hero
Hero, hero
I wanna be a hero, heroI wanna be a heroShut your eyes
Shut your eyes
Don't be scared
Shut your eyes
Watch those lights
From the stars
In your head
HypnotizedJoin the fight
For what's right
Let your heart
