Party on Dudes (Get Hype)

Test Icicles

(scream)I can feel it when I'm walking down the street
the kids are crazy but they know where to be
Well I forgot that you just gotta (catch it)
when we break it down its just like magicget ready for the fight
showing you the way
I wonder what its like
do I need to say to you
to get this party startedlistenmy eyes can't believe this mess
get in line dont try to test
I got the dream that'll make you bounce back
feel the beat feel the flow
it's time to goget ready for the fight
showing you the way
I wonder what its like
do I need to say(to you)
to get this party startedwe'll make that shittin' (scream)I know that sometimes you just need to get away
well thats cool with me
whatever happens I just need to know that we can get this party startedtoday yeah
