

# Just What I Needed

## Poison

I don't mind you comin' here  
And wastin' all my time  
'Cause when you're standin', oh, so near  
I kinda lose my mind, yeahIt's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you comin' here  
And wastin' all my timeI guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleedI don't mind you hangin' out  
And talking in your sleep  
It doesn't matter where you've been  
As long as it was deep, yeahYou always knew to wear it well  
You look so fancy, I can tell  
I don't mind you hangin' out  
And talking in your sleepI guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleedI don't mind you comin' here  
And wastin' all my time time  
'Cause when you're standin', oh, so near  
I kinda lose my mind, yeahIt's not the perfume that you wear  
It's not the ribbons in your hair  
I don't mind you comin' here  
And wastin' all my timeI guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleedI guess you're just what I needed  
(Just what I needed)  
I needed someone to feed  
I guess you're just what I needed  
(Just what I needed)  
I needed someone to bleed
