

Wrapped Up

Eddy Current Suppression Ring

Now excuse if I sound rude
But I love the way that you move
And I see me all over you now
Baby when I look in your eyes
There's no way that I can disguise
All these crazy thoughts in my mind now
There's just something about you
 You got the lock
 I got the key
 You know the rest
 You know just where I wanna be
 Don't ever stop controlling me
I kinda like it when you bring me to my knees
You got me wrapped up
 Around your finger
 I'd do anything for your love now
 And when you touch it, the feeling lingers
 Takes me up so I high I can't come down
(You got me wrapped up baby)
I don't ever wanna give up
 All this spell you got me under
 I see fireworks when we touch now
 (There's just something about you)
 Your body fits on mine like a glove
 Let them say whatever they want
 It's too late cause you're in my blood now
 (There's just something about you)
 You got the lock
 I got the key
 You know the rest
 You know just where I wanna be
 Don't ever stop controlling me
I kinda like it when you bring me to my knees
You got me wrapped up
 Around your finger
 I'd do anything for your love now
 And when you touch it, the feeling lingers
 Takes me up so I high I can't come down
 (Girl, you got me wrapped up)
 You got me so, so wrapped up
 There's just something about you
 You wrapped up

You got me so, so wrapped up
There's just something about you My princess so intelligent
 Make me wanna reapply to school for the hell of it
 I'll be the student, you be the teacher
 Ms. Sophisticated, such a pleasure to meet ya
 Yeah, but here's the only issue since we met
 You kinda turned my world upside down
 And I don't really mind Spiderman kissing you
 As long as you're planning on sticking around
 The happiest boy in the world award goes to me
 Not a chance nobody came close to 'em
 I kinda knew you was troublesome
You got me wrapped around your finger like bubblegum Everything that you do
 Every way that you move
 There's just something about you
 There's just something about you
 Everything that you do
 Every way that you move
There's just something about you Girl you got me wrapped up
 Around your finger
 I'd do anything for your love now
 And when you touch it, the feeling lingers
 Takes me up so I high I can't come down
 (Girl, you got me wrapped up)
 You got me so, so wrapped up
 There's just something about you
 You wrapped up
 You got me so, so wrapped up
 There's just something about you
