

Everything Evil (Demo Version)

Coheed and Cambria

Wait...for...everything evil in you comes out
I'll stain
When we'll only motivate sound instead, sergeant
Make for the table
In hopes that I won't be afraid again
Call when enabled
And send the leader out against
I will
Stage a reenactment
In a false pretense
Exist inflict
Unworthy unconsciousness
Why debate when the actions suppressed
Then kill the acquitted
Listen... to the sounds that remain in question
In hopes... to solidify a truce
Amongst the children and the jury
That stands the verdict
Alive here among the dead
Evolve monster show me the things that I've never wanted done
Evolve monster do to me the things I never wanted done
I!!!! felt much better than this before
If they find out to avoid then the accidents kept hidden away
But if they stay
Blood hungry
Cannibalistic unfit family ties
A series of knocks
To the young girl's head...side
Come write me a letter
And paste it a refrigerator door
Inspected, Inspector
I think we've found something over here
I!!!! felt much better than this before
If they find out, find out, to avoid then the accidents kept hidden away
But if they stay
Jesse! just come look at what your brother did
Here he did away with me
Jesse! just come look at what your brother did
Here he did away with me

Stay until Wednesday
And write me a child-like letter pretending
At war here on Thursday
Lets make this our last day at home by the fence
Would you run!?
Would you run!?
Would you run down past the fence?
Would you run!?
Would you run!?
Would you run down past the fence?
FBI!!!

And she screamed, "Claudio, Oh!"
"Dear Claudio, Oh!"
I wish, god damn it! we'll make it if you believe
And she screamed, "Claudio, Oh!"
"Dear Claudio, Oh!"
I wish, god damn it! we'll make it if you believe
You believe!!!
And she screamed, "Claudio, Oh!"
"Dear Claudio, Oh!"
I wish, god damn it! we'll make it if you believe
YOU BELIEVE!!!
And she screamed, "Claudio, Oh!"
Dear Claudio, Oh
I wish, god damn it! we'll make it if you believe
YOU BELIEVE
