

# You Make the Rain Fall

Kevin Rudolf & Flo Rida

You make the rain fall  
'Cause you're so beautiful that it's painful  
Yeah, you told me that you were an angel  
But I already know what you came for  
You make the rain fall Well, your eyes are so deceiving  
Deadly as a loaded gun  
And your words are so misleading  
You tell me I'm the only one And it feels so good tonight  
But it gets me every time  
And I know I'll never change my ways  
But every single night I pray  
You make the rain fall  
'Cause you're so beautiful that it's painful  
Yeah, you told me that you were an angel  
But I already know what you came for  
You make the rain fall Hey, this girl make the rain drop  
Giving me pain in the same spot  
Go in my pockets, my wallet, I got it  
She getting my dollars the same Umbrella's lit up on the same block  
The weather keeps pouring, this dame's hot  
Lil' mamma handle herself on the pole  
I can throw some more fish off the same dock Clouds over my head  
Thunder and lightnin' she flashing for bread  
She make a storm, I'm already prepared  
Who do I want 'cause I cut the checks  
Shorty, she want the Jacuzzi with jets  
Can't use the mop for this  
They stop the drizzle, I walk on the set  
I got the bar, girl, I'm telling you, yeah You make the rain fall  
'Cause you're so beautiful that it's painful  
Yeah, you told me that you were an angel  
But I already know what you came for  
You make the rain fall You make the rain fall  
'Cause you're so beautiful that it's painful  
Yeah, you told me that you were an angel  
But I already know what you came for  
You make the rain fall And I want you bad so I stand in line  
You tell me the lies to keep me up all night  
And I don't even know your name

But every night I pray  
Yeah You make the rain fall  
You make the rain fall You make the rain fall  
'Cause you're so beautiful that it's painful  
Yeah, you told me that you were an angel  
But I already know what you came for  
You make the rain fall You make the rain fall  
You make the rain fall  
You make the rain fall  
You make the rain fall
