

# We All Sleep Alone

[Ron Morris](#)

Somebody, somewhere turns off the lights  
Somebody all alone faces the night  
You got to be strong when you're out on your own  
'Cause sooner or later we all sleep alone  
Nobody, nowhere holds the key to your heart  
When love's a possession, it'll tear you apart  
You may have lovers wherever you roam  
But sooner or later, oh, we all sleep alone  
Oh, he young and the young at heart waits  
But the wait never ends in the soul  
When you feel like it's all blown away

Independence has come and into the night I go  
Don't make no promises that I can't keep  
I won't be no prisoner of somebody's needs  
You may have lovers wherever you roam  
But sooner or later, ooh, we all sleep alone  
Ooh, we all sleep alone  
Yeah, yeah, we all sleep alone, yeah  
And I know, and I know how you feel  
What you're thinkin', what you're saying to me  
'Cause we all sleep alone, yes, we all sleep alone
