

# Give Me Tonight

## Adore Delano

[Verse 1]

Walking, sadly through the park  
I hear, crying in the darkness  
And though I act like I cannot hear  
The situation is very clear  
A girl who's trying to tell her guy  
The time has come that they say goodbye  
And if, answer tears my heart apart [Chorus]

Give me tonight  
And if you don't wanna stay  
Girl I'll just forget you  
You say you're right  
You won't get to go away  
Love ain't gonna let you  
Gimme tonight [Verse 2]

Walking, with you through the park  
Now it's, my voice in the darkness  
Just like the girl trying to tell her guy  
I'm telling you, we must say goodbye  
I can't believe when I hear once more

The very words that were said before  
Come from deep within your broken heart [Chorus] [Post-Chorus]

Gimme tonight  
Gimme tonight [Bridge]  
Gimme (gimme, gimme, gimme, gim-)  
Gimme (gimme)  
Gimme (gimme, gimme, gimme)  
(Gimme, gimme, gimme) [Chorus] [Post-Chorus]
