

# Me Pones Sexy (I Want You)

## Thalía-a

T S Sound  
Yeah, come on  
You want me to track the dawn Thalia, ah  
T M  
You're just another winner  
Terror, come on  
Terror Squad  
Let's go and jam, baby

Que paso en  
Mi vida para merecer un amor asi?  
Cuanto llore why sufri  
DÃ-a why noche esperando a que vinieras por mi  
Why ahora estas aquÃ-

Tan galan que me haces vibrar  
Con tu piel tostada siempre tan sensual  
Why todas esas cosas que piensas hablar  
Me pones sexy, sexy

Baby, nadie mas puede amarte mas que yo  
I'm feelin' love in the deepest fall  
Give you the keys and all  
You even when helped me when the beef was on

Dime si quizÃ;s este amor es de verdad  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you"

Que no ves?  
Esta historia llena de amor nunca tendrÃ; fin  
Why puedo jurar que nadie mÃ;s harÃ;  
Los juegos que inventamos a la mar  
Comernos los labios hasta sangrar, ah

Tan galan que me hare vibrar  
Con tu piel tostada siempre tan sensual  
Why todas esas cosas que piensas hablar

Me pones sexy, sexy

Baby, nadie mas puede amarte mas que yo  
I'm feelin' love in the deepest fall  
Give you the keys and all  
You even when helped me when the beef was on

Dime si quizas este amor es de verdad  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you, baby"

Slow down, love  
Don't you see me with my girl, what you thinkin' it was?  
I know you're used to seein' me in the clubs  
Different chicks, sippin' Cris', just a million in dubs

But I've changed, only got eyes for her  
Believe me, ain't no girl dividin' us  
We could maybe elope, have a baby and all  
'Coz I don't wanna be a player no more

Baby, nadie mas puede amarte mas que yo  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you"

Dime si quizás este amor es de verdad  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you"

Baby, nadie mas puede amarte mas que yo  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you"

Dime si quizas este amor es de verdad  
I feel the same way  
You make the Don say  
"Girl, I want you, girl, I need you"

Baby  
Baby  
Baby
