

# Wow

## Prince & 3rdEyeGirl

Wow, this is heavy!

Wow, this is wild!

If ever there was a time 4 reaction, baby, the time is now

Enough of spending most of our lives

Waiting 4 the big bang

Extraordinary stuff that makes us say extraordinary things It makes U wanna take control now

It makes U wanna be in charge

It makes U wanna be the one who's living L 2 the A-R-G-E Large

Love is gonna make U happy

Love is better when U're alive

All is better when U take the wrongs and make them right
