

Another Friday Night

[Kenny Chesney](#)

Gonna cash my check before the drive-through closes

Get my baby a couple quick-sack roses

Put 5 dollars worth of gas in my pride and joy

Another Friday night in the life of a country boy Gonna take her out to the Tasty-Freeze then

We'll go dancing at the American Legion

When ol' Bobby does Elvis, you swear it was the real McCoy

Another Friday night in the life of a country boy Aw, there ain't much to do in the one-life town

But we don't let that slow us down

If it's too quiet, we make our own noise Now you can bet your boots by the end of the week

My pretty little girl is ready for me

Another Friday night in the life of a country boy When we've had enough of that shakin' and a shoutin'

We go fog up the windows in the Smoky Mountains

Have more fun than a couple of tourists and a polaroid

Another Friday night in the life of a country boy Aw, there ain't much to do in the one-life town

But we don't let that slow us down

If it's too quiet, we make our own noise Now you can bet your boots by the end of the week

My pretty little girl is ready for me

Another Friday night in the life of a country boy Another Friday night in the life of a country boy
