Let's Go Get Stoned (1996 Remastered Version)

Manfred Mann

Let's go get stoned, oh, oh
Let's go get stoned
Let's go get stoned, oh, oh
Let's go get stoned
Now, when your baby won't let you be
And you got a few pennies to buy a bottle of gin
Just call your buddy on the telephone and say
Let's go get stoned
Let's go get stoned, oh, oh
Let's go get stonedNow it doesn't do any harm
Just to get a little taste
But don't blow your cool
And start messing up the place
And it doesn't do any harm
Just to take a little in
But as long as you don't make any trouble
Why, you can just go on and say "let's"
Oh, I said let's
Oh now come on, come on, come on and
Come on, come on, let's go and let's
Let's go get stoned, oh, oh
Let's go get stonedNow, when you work so hard (ee-oo) all the day long
And everything you do seems to go wrong
Why, just you stop off on the corner at the wine shop
On your way home and say
Let's go get stoned
Let's go get stoned, oh, oh
Let's go get stonedNow just a-one more time
Let's go get stoned, oh, oh
Let's go get stoned
Oh yeah
