

Boum-Boum (Enigma Radio Edit)

Enigma

My heart goes B-B-B
Every time I think of you
Heart's going BBB
Lost control what shall I do?
'Cause I want to be your lover
Till the end of our lives
I could never miss again
These loving eyes
My heart goes B-B-B
Every time I think of you
I feel that B-B-B
No control of what I'll do
Simplicity, complexity, oh what a tragedy
Reality, insanity, strange normality
Incredible, untouchable, but just visual
And I want you, just you but natural
My heart goes B-B-B
When any mind is touching you
Inside that B-B
Only light inside my gloom
