

This Is the Stuff

[Francesca Battistelli](#)

I lost my keys in the great unknown
And call me please
'Cause I can't find my phone This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess
I forget how big I'm blessed This is the stuff that gets under my skin
But I've gotta trust you know exactly what You're doing
Might not be what I would choose
But this is the stuff You use
Sirens and fines
While I'm running behind This is the stuff that drives me crazy
This is the stuff that's getting to me lately
In the middle of my little mess
I forget how big I'm blessed This is the stuff that gets under my skin
But I've gotta trust you know exactly what You're doing
Might not be what I would choose
But this is the stuff You use
To break me of impatience
Conquer my frustrations
I've got a new appreciation
It's not the end of the world This is the stuff that drives me crazy
This is the stuff, someone save me
In the middle of my little mess
I forget how big I'm blessed This is the stuff that gets under my skin
And I've gotta trust You know exactly what You're doing
Might not be what I would choose
But this is the stuff You use
This is the stuff You use
