

# Glow in the Dark

## The Wanted

I was on it from the get go  
The way you stood out from the crowd  
Still shining with the lights low  
Even when the sun goes go down When you move  
My eyes are locked on you  
So I'm stuck, I'm hypnotized  
It's the way you shine 'Cause it's like  
The strobe lights not as bright as you are  
You're the only one that I can see from afar  
And I follow the rays til I get to your heart  
I just gotta know who you are You glow in the dark  
You glow in the dark  
You glow in the dark  
You glow in the dark  
I can see you  
[Beat break]  
Glow in the dark Shocking like electro  
The way you put it down  
I should've came here with my shades on  
'Cause I'm blinded by you now When you move  
My eyes are locked on you  
So I'm stuck, I'm hypnotized  
It's the way you shine 'Cause it's like  
The strobe lights not as bright as you are  
You're the only one that I can see from afar  
And I follow the rays til I get to your heart  
I just gotta know who you are You glow in the dark  
You glow in the dark  
You glow in the dark  
You glow in the dark  
I can see you  
[Beat break]  
Glow in the dark Glow in the dark [x6]
