Off the Ground

StorySide:B

You see me up and down
Yeah I've beena round
But you never changed a bit
No you never backed down
You've been my strength to change
From my worst days
And still I fool myself with fear and doubt
But now I'm swept off my feet
I feel so complete
So content in the now
And I won't let you go
Cause you know I know
That you don't let me down
No you don't let me downYou bring me higher, off the ground
Your gravity pulls me, off the ground
Deep from the garden, where we were foundI've seen the darkest nights
Forced my eyes to bleed
I'be lived without a light
Battled lies and greed
You've taught me how to fight
Life's tempting ways
And still I fall from flight
But you're here
And now I'm swept off my feet
I feel so complete
All is perfect right now
And I won't let it go
Cause you know I know
That you don't let us down
No you don't let us downYou bring me higher, off the ground
Your gravity pulls me, off the ground
Deep from the garden, where we were found
